Deer season for young hunters opens Sept. 13

Noon on Friday, Sept. 13 signals the start of a nine-and-a-half-day deer hunting season for youth -- and hunters are reminded that a 2019 general game and habitat license must be purchased before the state Game and Fish Department mails the youth deer license.

Hunters are encouraged to purchase the required license early since it takes a couple of days to receive the deer license in the mail.

Licensed residents who turn age 11, 12 or 13 in 2019, are allowed to hunt statewide, but only for antlerless white-tailed deer.

Resident deer gun hunters who turn age 14 or 15 in 2019, with a "youth season" license, can hunt statewide for any

deer, except a special license is required to hunt antlered mule deer in units 3B1, 3B2, 4A, 4B, 4C, 4D, 4E and 4F (valid only in the unit printed on the license).

After opening day, hunting hours are one-half hour before sunrise to one-half hour after sunset. Solid daylight fluorescent orange vests or coats, and hats, are required for all youth hunters and their adult mentors.

Each youth deer hunter must be under direct supervision of an adult while in the field.

The youth deer season closes Sunday, Sept. 22.

You have better ways to spend your money. Still think incandescent light bulbs are less expensive than LEDs? Think again. An ENERGY STAR® LED saves about \$55 in electricity over its lifetime. In fact, the average household with 40 bulbs or more can save about \$2,200 by replacing incandescent bulbs with LEDs. Make the switch today and use the savings for something special. We offer a rebate of up to \$1.50 per bulb. Get your \$1.50 LED BULB rebate today! For more information, call us or visit www.brightenergysolutions.com.

Youth, Military Waterfowl Weekend is Sept. 14-15

North Dakota's two-day youth waterfowl and special veteran and active military personnel waterfowl weekend is Sept. 14-15.

Legally licensed resident and nonresident youth waterfowl hunters age 15 and younger, and veterans and members of the Armed Forces on active duty, including members of the National Guard and Reserves on active duty (other than for training), may hunt ducks, geese, coots and mergansers statewide.

The daily bag limit and species restrictions are the same as for regular duck and goose seasons. Exception: the additional two blue-winged teal allowed during the first 16 days of the regular season are not allowed during this weekend.

Resident and qualifying nonresident youth waterfowl hunters must possess a general game and habitat license. Nonresidents from states that do not provide

a reciprocal licensing agreement for North Dakota residents must purchase the entire nonresident waterfowl license package.

Veterans and members of the Armed Forces must possess a resident hunting license, which includes a general game and habitat license, and a small game license.

Hunters age 16 and older must also possess a federal waterfowl stamp.

In addition, all hunters must be Harvest Information Program certified, and youth ages 12 and older need to have passed a certified hunter education course.

Hunters who do not HIP certify when they buy a ND license, can add it by visiting the state Game and Fish website at gf.nd.gov, or by calling 888-634-4798 and recording the HIP number on their printed license.
